Photo Slideshow Packages

Just follow the steps below to plan your photo slideshow. Feel free to reach out with any questions, www.VideoMVP.com/contact.

1. Choose your Package: All packages include: Photo Enhancement (color correction and light touch-ups of each photo); your choice of music; video effects and transitions; and the final video file on USB, including your digital images.

<u>Package</u>	<u>Photos (up to)</u>	<u>Approx. Length</u>	<u>Price</u>
<input type="checkbox"/> Special	50 photos	4-5 minutes	\$108
<input type="checkbox"/> Applaud	100 photos	8-10 minutes	\$178
<input type="checkbox"/> Remember	150 photos	12-15 minutes	\$238
<input type="checkbox"/> Celebrate	250 photos	20-25 minutes	\$338
<input type="checkbox"/> History	500 photos	40-50 minutes	\$558

2. Number your photos. Gather your photos and number them in the order you want them to appear.

- Note: If you prefer to have ALL the photos appear randomly, then there's no need to number them.
- For paper photos (up to 8x10), number each photo on the back in the lower corner (never the center). Use a pencil or ballpoint pen (never use a marker or gel pen). Each photo must have a unique, sequential number on the back (must be 1, 2, 3, etc., no duplicate numbers or letters). Avoid using paper clips.
- For digital photos, rename each file with the number of its position in your video. You can mix paper and digital photos. Digital images can be sent on a USB drive or via a file sharing service like Dropbox.

3. Choose your music. As a general rule, use 10 photos per minute of music, but you can vary this as you like. We will edit your photos to fit the music. You can supply songs as MP3 files (or CDs). You can also check with us to see if we have your songs in our library. Just send us your list.

4. Video Name: What would you to title your video? _____

OPTIONS

A. Titles or Captions (text on the screen, \$5 each):

- Write the text on an index card and number it among your photos where you want it to appear.
- Titles can be on a background or as captions over a photo.

C. DVD and Blu-ray: Add a Disc Master if you like. DVD \$25 Blu-ray Disc \$50

D. Duplications (list the TOTAL quantity you would like): USB _____ DVD _____ Blu-ray _____
